## TAX-PAYERS, READ! READ!!

### THE WAR DEBT AND THE WAR TAXES.

We subjoin some figures showing what the debt in each county of Pennsylvania will be, supposing the war debt of the Union at the close of the war, shall be \$3,000,000 of dollars. We solemnly believe it would be that sum if the war closed tomorrow. Because the war has now lasted 880 days—and there is no prospect that it will be closed in 120 days more. The daily expense of the war—the current expense is set down at THREE MILLION PER DAY—this of course, will amount to 3,000,000 of dollars in 1,000 days. Now, Pennsylvania's quota of men and money has been fixed (we believe officially) at ONE SIXTH of the whole, which is \$500,000,000 It is upon this that the following apportionment of debt and interest is based. WE ASK THE ATTENTION OF ALL TAX-PAYERS TO THIS FUL EXHIBIT:

Each county's share of the war debt.

Each county's principal of the war debt yearly.

OUR FLAG!

GETTYSBURG, PA.

MONDAY MORNING, OCT. 12, 1863.

## PEOPLE OF ADAMS, BE ON YOUR GUARD!

We are informed that the Abolitionists have had printed Tickets purporting to be Democratic Tickets, but which are SPURIOUS. Spurious because they have the names of Abolition candidates scattered, here and there, among the names of Democrats. In some cases probably the name of only one Abolitionist will be found on the ticket—in others two or three. By this

## FACTS FOR THE PEOPLE.

The War Debt and War Taxes.—If the war ceased to-morrow the debt of the Union (according to a careful calculation recently made at Washington,) would be 3,000,000,000 of dollars! Pennsylvania's share of this debt would be \$500,000,000!

Let it be remembered, that this does not include the Pensions, Bounties to honorably discharged soldiers, &c., &c. 170,000 claims for pensions were allowed at the Surgeon General's office to invalids, widows, &c., up to September 1st, 1863. The whole number of pensioners cannot be less than 250,000! And this, at \$8 per month for each, will be \$2,000,000 per annum.

We have presented these facts and figures because the people have a right to know what their burdens are or may be—they are about to vote upon the question whether those who have created this immense debt should longer remain in places where they can sap the substance of the State.—And remember! every dollar of this money must be raised by TAXATION!!

## THE REIGN OF RASCALITY.

Honest men of Adams county! We would ask you, in all candor, whether the State has not been cursed long enough with the reign of rascality which now holds high revel at Harrisburg?

Your pockets must be well filled to stand three years more of such plunder and extravagance. The taxes must fall lightly upon you, if you are willing to have them doubled and trebled. Andrew G. Curtin is denounced, even by the papers of his own party, as corrupt and dishonest. Are you willing to give this corrupt and dishonest man three years' longer license? There is yet a hungry pack of contractors and place-men whose maws are not filled. Are you willing to help to fill them out of the substance of your honest earnings? George W. Woodward is known as an honest, high-minded, honorable, Christian gentleman. In all the slanders that have been circulated against him, never one whisper has been breathed against his purity of character. He stands above reproach.—Oh! it will be a proud boast for Pennsylvania to have such a man as he is in the executive chair. Are you not willing to give every energy in helping to place him there?

## CURTIN'S PLATFORM.

Three Abolitionists recently made speeches in favor of Andrew G. Curtin, the "shoddy" candidate for Governor—one was Thaddeus Stevens, the leader of the Republican party in this State, who solemnly declared, "The Union as it was and the Constitution as it is—God forbid it!" The second was Wm. H. Armstrong, who coolly informed his hearers "that it was better to lose a battle in the field than the election in Pennsylvania." The third was the notorious Ben. Butler, who boldly announced to his Abolition audience that "he has not for the Union as it was." Those who are willing to endorse the treasonable and disgraceful sentiments quoted above will cast their votes for Andrew G. Curtin!

## ABOLITION FALSEHOODS.

All the Abolitionists say or print now in regard to Woodward, Lowrie or any of the Democratic candidates, may be set down as false.

Our advice to Democrats is—believe not a word that comes from them.

They have neither written, spoken, nor printed anything impeaching the patriotism or loyalty of the Democratic nominees, since the campaign opened, but the grossest falsehoods. Now that but a few days intervene between this and the election, and their falsehoods cannot be exposed, we need expect nothing but the most atrocious calumny. The devil himself cannot beat them at lying—they have long since buried their honor, if not their very souls, for gold, and they are reckless what they say or do.

They charge Gen. McClellan with favoring the election of Curtin.

It is false.

They say Judge Woodward sympathizes with the rebels.

It is false.

That he favors an assumption of the rebel debt.

It is false.

That he is hostile to the naturalization of foreigners.

It is false.

That he is opposed to Roman Catholics.

It is equally false.

These and all other charges they have brought against him are deliberate, malicious, atrocious falsehoods. Let every Democrat and every honest Republican bear this in mind.

## TURN OUT!

Let every Democrat and every "Republican" who wants a change in the administration of public affairs, turn out to the election. If the people want to suffer—suffer—suffer—till ruin rides rampant over every hill and valley in the land, let them stay at home and permit the reins of government to remain in the hands of the Abolitionists. On the contrary, if they want our country to return to peace and prosperity, let them TURN OUT and every man watch and denounce so base a trick.

DO YOU WANT A CHANGE?

We wish to say a word to the conservative, real "no party" men, in Adams county—the men who have never actively participated in politics. You have tried the Republican party, you have given them all they asked for, and yet the country is no nearer saved than when they first took hold of the reins of power. We beseech you, be honest and fair in considering this question. You have tried others, and they have signally failed to accomplish what you desired—failed because their principles are radically wrong. We ask you then for once to try the Democracy. They cannot do worse than those who have been trying; and we sincerely believe they will save the country. Do not say you will wait and give these men another trial, and if they still fail you will then try the Democrats; but try them now, for if affairs are conducted as they have been during the past three years, by the time another chance for trial comes, we may have no country to save!

## LOOK OUT FOR ROBBERS!

The Abolition leaders are desperate and will resort to all sorts of trickery and fraud to carry the election. Every kind of falsehood will be circulated by them, for the purpose of injuring the Democratic candidate.

Democrats, be on your guard against these robbbers! Whenever you see any of them, nail them to the anvil as you would a counterfeit coin. Look out for lying circulars and eleventh-hour handbills, filled with calumny and falsehood! Look out for mixed and spurious tickets, for the country will be flooded with them by the Abolition candidates. See that the names are spelled right on your tickets and that not a single letter is wrong.

VOY THE DEMOCRATIC TICKET—

The Supreme Judge is rated on a separate slip or ticket.

Justice.

The Democratic cause will triumph on Tuesday, is the prayer of

the Compiler.

The name of the Democratic candidate for Associate Judge is ISAAC E. WIERMAN. The name of his opponent is Joseph Wierman. The opposition, unscrupulous and desperate, will doubtless have tickets out containing the names of all the Democratic candidates except that of Isaac E. ## FOR WOODWARD.

A young soldier who has served more than two years in the gallant 68th, of the Army of the Potomac, and whose only brother was killed in the battle at Gettysburg, in a recent letter to a Chester county kinsman, says:

"The coming election in our State is looked to with a great deal of anxiety down here, and if the soldiers of the 'Old Keystone' had a chance at the polls, Woodward would be sustained by a majority."

The true Abolition-Republican is, of all the men pretending to merit, the most unfit to rule a great country; for he is narrow minded, intolerant, proscriptive, greedy, "needlesome in other men's matters," and, above all, ignorant of true liberty, which consists as much in yielding rights to others as in claiming them for ourselves."

## DEMOCRATS, STAND BY YOUR GUNS.

The great political battle will soon be decided. Every vote will count in this struggle for "Free Speech," "The Union," and "The Constitution." Let no Democrat be absent from the polls. See that every Democrat in your neighborhood votes. Let no business interfere to prevent this. You owe it to yourself, your country and your party. See to it.

## ANSWER.

We ask the friends of Curtin if John C. Codd did not give Curtin a check on his Banker for ten thousand dollars to decline being a candidate for Governor, and if Curtin did not decline—take the check—draw the money, and then announce himself as a candidate in the Pittsburgh Convention? Please tell us whether Codd will ever get his money back?—*Saturday Democrat*.

## COMPARE YOUR TICKETS.

Let all the tickets be compared with the ticket in our paper. Democratic tickets may be printed with two or three of the names left out, and those of Abolition candidates inserted. Watch this carefully.

LET IT BE REMEMBERED by those in this country who lost horses by Stuart's raid, last fall, that when a bill was brought before the Legislature to pay them for the losses they thus sustained, Gov. Curtin killed the measure by threatening to VETO it!

## KEEP IT BEFORE THE PEOPLE.

That Andrew G. Curtin, the shoddy candidate for Governor, signed the bill for the repeal of the Tonage Tax on the Pennsylvania Railroad Company, against the remonstrances of Hon. S. A. Purvis, his Attorney-General, and Eli Sillier, his Secretary of State.—*Pittsburg Gazette*, July 22.

That he signed three acts of a Republican Legislature, "striking the Sinking Fund of at least EIGHTEEN MILLIONS OF DOLLARS."—*Pittsburg Gazette*, July 22.

"THAT HIS NOMINATION WOULD BE DISGRACEFUL TO THE PARTY AND HIS ELECTION IMPOSSIBLE!"—*Pittsburg Gazette*, August 5.

It is only necessary to remind the reader that the journal making these bold and monstrous charges is the ablest and most widely circulated Republican print west of the Allegheny mountains.

## CURTIN'S PICTURE, AS DRAWN BY A POLITICAL FRIEND.

From the *Gettysburg Star & Banner*, (Republican), May 31, 1861.

"Pennsylvania has long been called the Keystone State, and she has deserved the name. Any one not blinded by prejudice must have accorded this to her, in the late unhappy scenes through which our country has been called to go. The resolutions of our Representatives, pledging the support and credit of the State to the Federal Government, together with the simultaneous uprising of the people to furnish an army to assert its commands, did more to re-establish confidence in the Union, and the inherent stability of our political system, than the action of any State or people.—Pennsylvania has earned anew the right to her proud title. Whilst all this is so, and more.—Whilst cities, counties, boroughs, volunteer organizations, and private individuals have pledged their credit, and contributed most liberally to furnish our brave volunteers with a complete equipment, and place them in a position, ready to vindicate alike the State and national Government, we are pained, by the report of official neglect and peculation. More than this we have seen our noble comrades miserably clothed, and both badly and scantily, provisioned by those paid, and well paid, to see to these important considerations. We held our peace when, recently, we were cognizant of the fact, that the Quarter master of our own company was under the necessity of providing himself with a pair of scales to protect the company against the rapacity of an officer, and when we heard the loud complaints of the "Jack Tails" on account of outrageous treatment, because in the one case, we thought it the villainy of a minor officer, and the necessary delay, in the other, of an overtaxed Administration. All this, it seems was but the beginning of gigantic fraud, as though the nation, and the State had not been so disgusted by the perfidy of recent administrations, that it hurried them from power, more for that cause than any other. The man, who makes the present effort of the people to present the liberties sought for, and achieved by our fathers, an occasion to rob our soldiers, and enrich himself, IS AN ENEMY WHOM IT WOULD BE CHARITY TO HANG. We care not who is the guilty party. Who debraves our brave soldiers is worse than a traitor. We do not know who is immediately to blame, but this we know, THAT GOV. CURTIN CANNOT ESCAPE CENSURE. Either he is implicated with these public thieves, and receives part of the plunder, or he is guilty of appointing men in office who deserve the execution of all good citizens. He may take which horn of the dilemma he may please. The position of affairs renders official peculation doubly monstrous. Have we just fled from corruption, to corruption—from one vile Administration, to another viler? Many voted for Gov. Curtin to avoid corruption. AND HAVE THEY LINKED THEMSELVES TO BOTTENESS? If the interests of this country are bound up with the success of the Republican principles, as we believe they are, it becomes the party to purge the earth of THESE VILE MEN, and let the STIGMA, and NOT THEIR VILLAINY remain, and not on the party. AWAY WITH TRAITORS AND MEN WHO SPECULATE ON PATRIOTISM."

To Republicans.—Those of you who have been drafted and compelled to pay well, have you made anything by a change of administration? Would it not have been a thousand times better for your country and your purse, if both Lincoln and Curtin had been defeated? This we believe you can now see. If so, your duty will be very clear at the next election. To be honest to your country and to yourself, you must go to the polls and vote the Democratic ticket. By doing this, you will save yourself still further trouble an expense.—Ex.

He who would use force to prevent the freedom of election is a traitor to all the principles of civil liberty. To accomplish a temporary object he would invoke a power which would destroy not only the liberties of his fellow citizens, but eventually his own.

The New York Tribune, in commenting on the disaster to the army of General Rosecrans, says: "If we put the whole loss at 12,000, and add to it the evidently important captures of munitions, we shall begin to realize that the offensive campaign General Rosecrans is at an end, unless he is promptly and heavily reinforced."
